The Sea Island Conference on Sector-Focused Cyclotrons was organized under the joint sponsorship of the National Academy of Sciences - National Research Council and the American Physical Society. Minutes of the Conference have been published in the Bulletin of the American Physical Society for April 30, 1959. The Proceedings, compiled and edited by F. T. Howard of the Oak Ridge National Laboratory, appear in the following pages. The participants in the conference, and all to whom the Proceedings may be of benefit, are indebted to the Research Division of the Atomic Energy Commission for the financial support that made the Conference possible.
