ACCELERATOR CONFERENCE

4TH TO 9TH
SEPTEMBER 2011

WWW.IPAC2011.ORG

Location

San Sebastián is located in North Spain, in the very heart of the Basque Country. It is the **capital city of the Gipuzkoa region**.

Located just 18 kilometers far from France, is well connected national and internationally with a motorway net, train lines and **four airports within 100 kilometers**.

San Sebastián is a medium sized city (aprox. 185.000 inhabitants) at the border of the Cantabric sea with four beaches.

Donostia - San Sebastián

Kursaal Conference Venue

Two auditoriums for 1.806 & 624 people

Open air terraces with over 5,000 sqm.

Accommodation

San Sebastian offers high quality and comfortable accommodation in a city with a long tradition as a well-known tourist destination. Capacity for more than **6.800 persons** mainly in 4-star hotels.

Gastronomy

Food in San Sebastian is a traditional and sophisticated pleasure with a **great variety** as it offers classic and traditional dishes, nouvelle cuisine and miniature dishes with its greatest exponent, the San Sebastian "**pintxo**".
