

icalepcs 2011

13th International Conference on Accelerator and Large
Experimental Physics Control Systems
10th – 15th October 2011
hosted by the European Synchrotron Radiation Facility
Grenoble, France

JM Chaize/Marie Robichon (ESRF)
JACoW 2010 Team Meeting,
15 nov 2010

Status Report

- **LOC composed of 7 ESRF staff members:**
 - Conference chair: Andy Götz
 - Programme committee chair: Jean-Michel Chaize
 - LOC chair: Anne-Françoise Maydew
 - Editor in chief: Marie Robichon
 - Industrial exhibitors and sponsors manager: Rudolf Dimper
 - Technical support: Claude Joan
 - Secretarial support: Fabienne Mengoni
- **ISAC/SPC formed:**
 - Chairman **Roland MÜLLER (BESSY)**
 - 45 members
 - First meeting 1 and 2 July in Versailles, France (organised in collaboration with SOLEIL Synchrotron, Paris)
 - [Collaboration wiki](#) setup for information exchange between members
 - Second meeting foreseen the 19 and 20th of may 2011
- **Web site operational (icalepcs2011.esrf.eu)**

We are looking forward to welcoming you to

ICALEPCS 2011!

10-14th October 2011, in Grenoble, France.

**International Conference on Accelerator and Large
Experimental Physics Control Systems**

**More information at
<http://icalepcs2011.esrf.eu>.**

Where is Grenoble ?

Aéroport de Grenoble-Isère

38590 Saint-Étienne-de-Saint-Geoirs

T. : +33 (0)4 76 65 48 48

www.grenoble-airport.com

35 minutes du centre de Grenoble

Aéroport de Lyon Saint-Exupéry

BP13 - 69125 Lyon Saint-Exupéry

T. : +33 (0) 826 800 826 - www.lyon.aeroport.fr

55 minutes du centre de Grenoble

Aéroport international de Genève

Case postale 100

1215 Genève 15 - Suisse

T. : +41 22 717 71 11 - www.gva.ch

1 h 45 de Grenoble

Autoroutes

A48 Lyon (100 km)

A49 Valence (90 km)

A41 Chambéry (55 km)

Gare SNCF de Grenoble

1, place de la Gare - 38000 Grenoble

T. : 36 35 - www.sncf.fr

Grenoble / Paris en moins de 3 h

Capital of the Alps, Grenoble has an unusual geographical situation. The city is at the crossroads of 3 massifs : the Vercors, the Belledonne range and the Chartreuse.

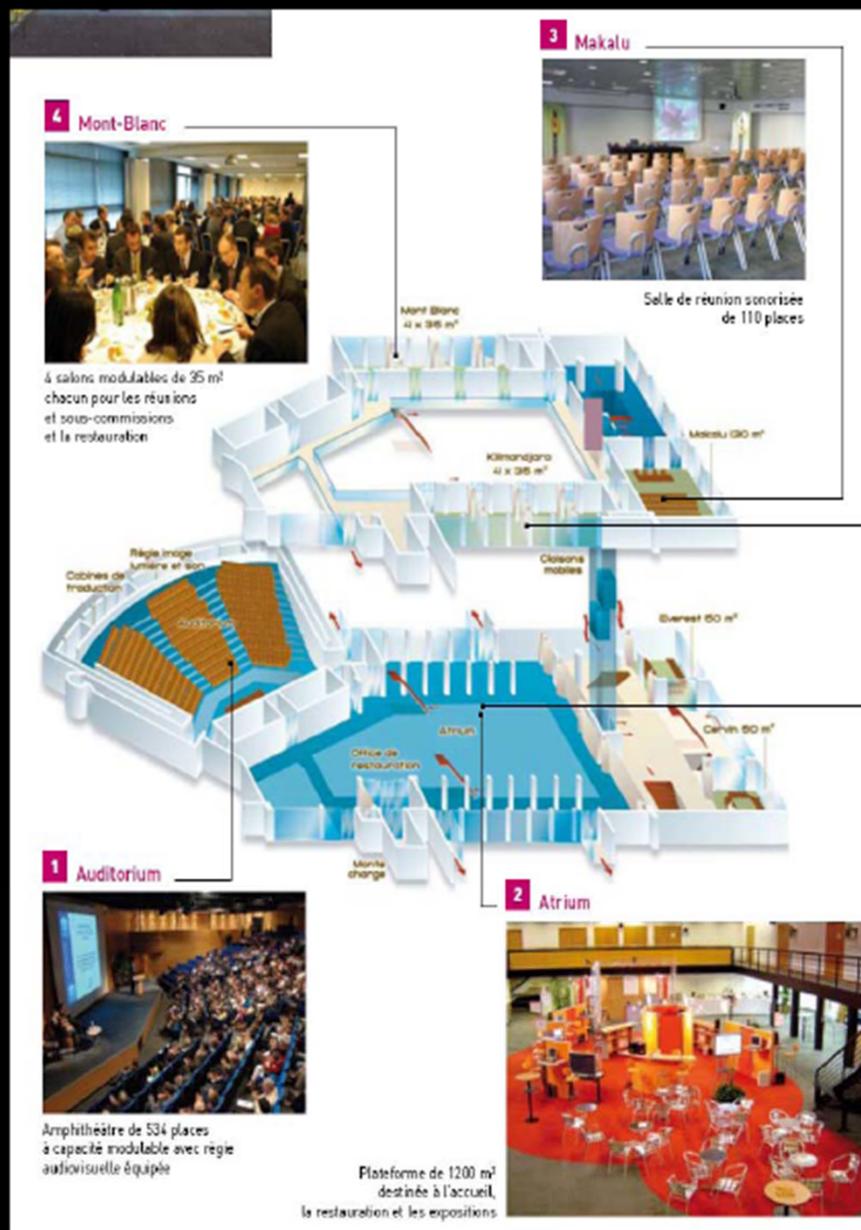

Land of culture and tradition, Grenoble is a dynamic city formed by 2000 years of history.

Grenoble World Trade Centre: our meeting place

Conference Centre

Status Report (contd.)

- **SPMS instance up and running**
- **Contract signed with experienced local PCO:**
 - registration,
 - hotel reservations,
 - exhibitors,
 - social events and gala evening
- **Sponsors:**
 - Final documents distributed to potential sponsors
 - Dedicated [web page](#) for exhibitors
- **Endorsements**
 - IEEE now officially a 'Technical Sponsor' via a MOU
 - JSP 日本物理学会
 - SFP (société Française de Physique)
 - Waiting for AAPPS Association of Asian Pacific Physical Societies

Proceedings

- The figures expected are based on the ICALEPCS2009 numbers:
 - Abstracts: ~ 430
 - Papers: ~ 350
 - Posters: ~ 300
- Experience using SPMS for paper processing was gained at ICALEPCS2009 and more at IPAC`10
- Peer review by PRST has been decided
- No paper proceedings planned.

Poster soon available

ICALEPCS 2011

13th International Conference
on Accelerator and Large
Experimental Physics
Control Systems

October 10-14, 2011
WTC, Convention Center
Grenoble, France

Program tracks

- ▶ Status reports
- ▶ Quality assurance
- ▶ Project management
- ▶ Integrating industrial/commercial devices
- ▶ Embedded & realtime software
- ▶ Distributed computing
- ▶ Process & feedbacks
- ▶ Data & information management
- ▶ Upgrade of control systems
- ▶ Software technology evolution
- ▶ Hardware
- ▶ Protection & safety systems
- ▶ Infrastructure management & diagnostics
- ▶ Operational tools & operators view

Important dates

- On-line abstract submission: 1 February 2011
- Deadline for abstract submissions: 1 April 2011
- On-line registration starts: 15 April 2011
- Deadline for paper submissions: 16 September 2011
- Pre-conference meetings: 8&9 October 2011

As a member of the European Synchrotron Radiation Facility

Local Organising Committee

- Conference Chair: Andy Gibz
- Scientific Programme Chair: Jean-Michel Chartre
- LDC Chair: Anne-Françoise Maynard
- Sponsors' Coordinator: Rudolf Ditzmar
- Conference Proceedings Editor: Marie Robichon
- Technical support: Claude Joen
- Conference Secretary: Fabienne Margoni
