- Deadline for papers uploading – October, 14th.
- Published at JACoW – November, 4th
(in 3 weeks)

- **Topics**

- Circular Colliders
- Linear Colliders, Lepton Accelerators and New Acceleration Techniques
- Hadron Accelerators
- Synchrotron Light Sources and FELs
- Cooler Storage Rings
- Particle Dynamics in Accelerators and Storage Rings
- New Methods of Acceleration
- Applications of Accelerators
- Beam Dynamics and Optimization
- Accelerator Technologies
- Electromagnetic Fields
- Accelerators for medical and industrial purposes
- Instrumentation, Controls, Feedback & Operational Aspects

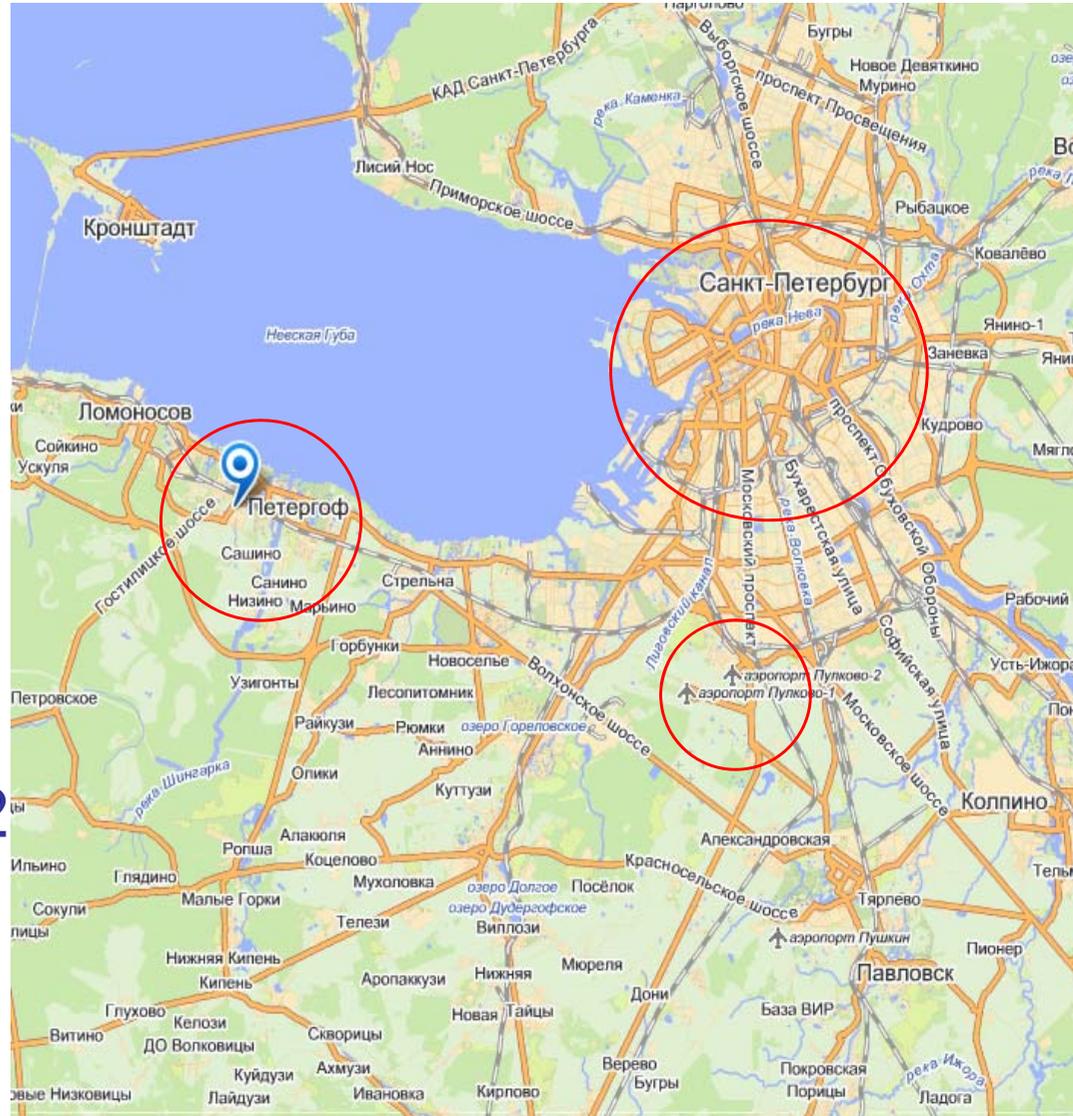

- **ORGANIZED BY:**

- Russian Academy of Sciences
- State Atomic Energy Corporation ROSATOM
- Federal Agency of Science and Innovations
- St.Petersburg State University
- The D. V. Efremov Scientific Research Institute of Electrophysical Apparatus

RuPAC-2012
