RADIATION EQUIPMENT AND INSTRUMENTATION

ALBA Visit

Joint visit for IBIC and MEDSI attendees:
Expected **400** people

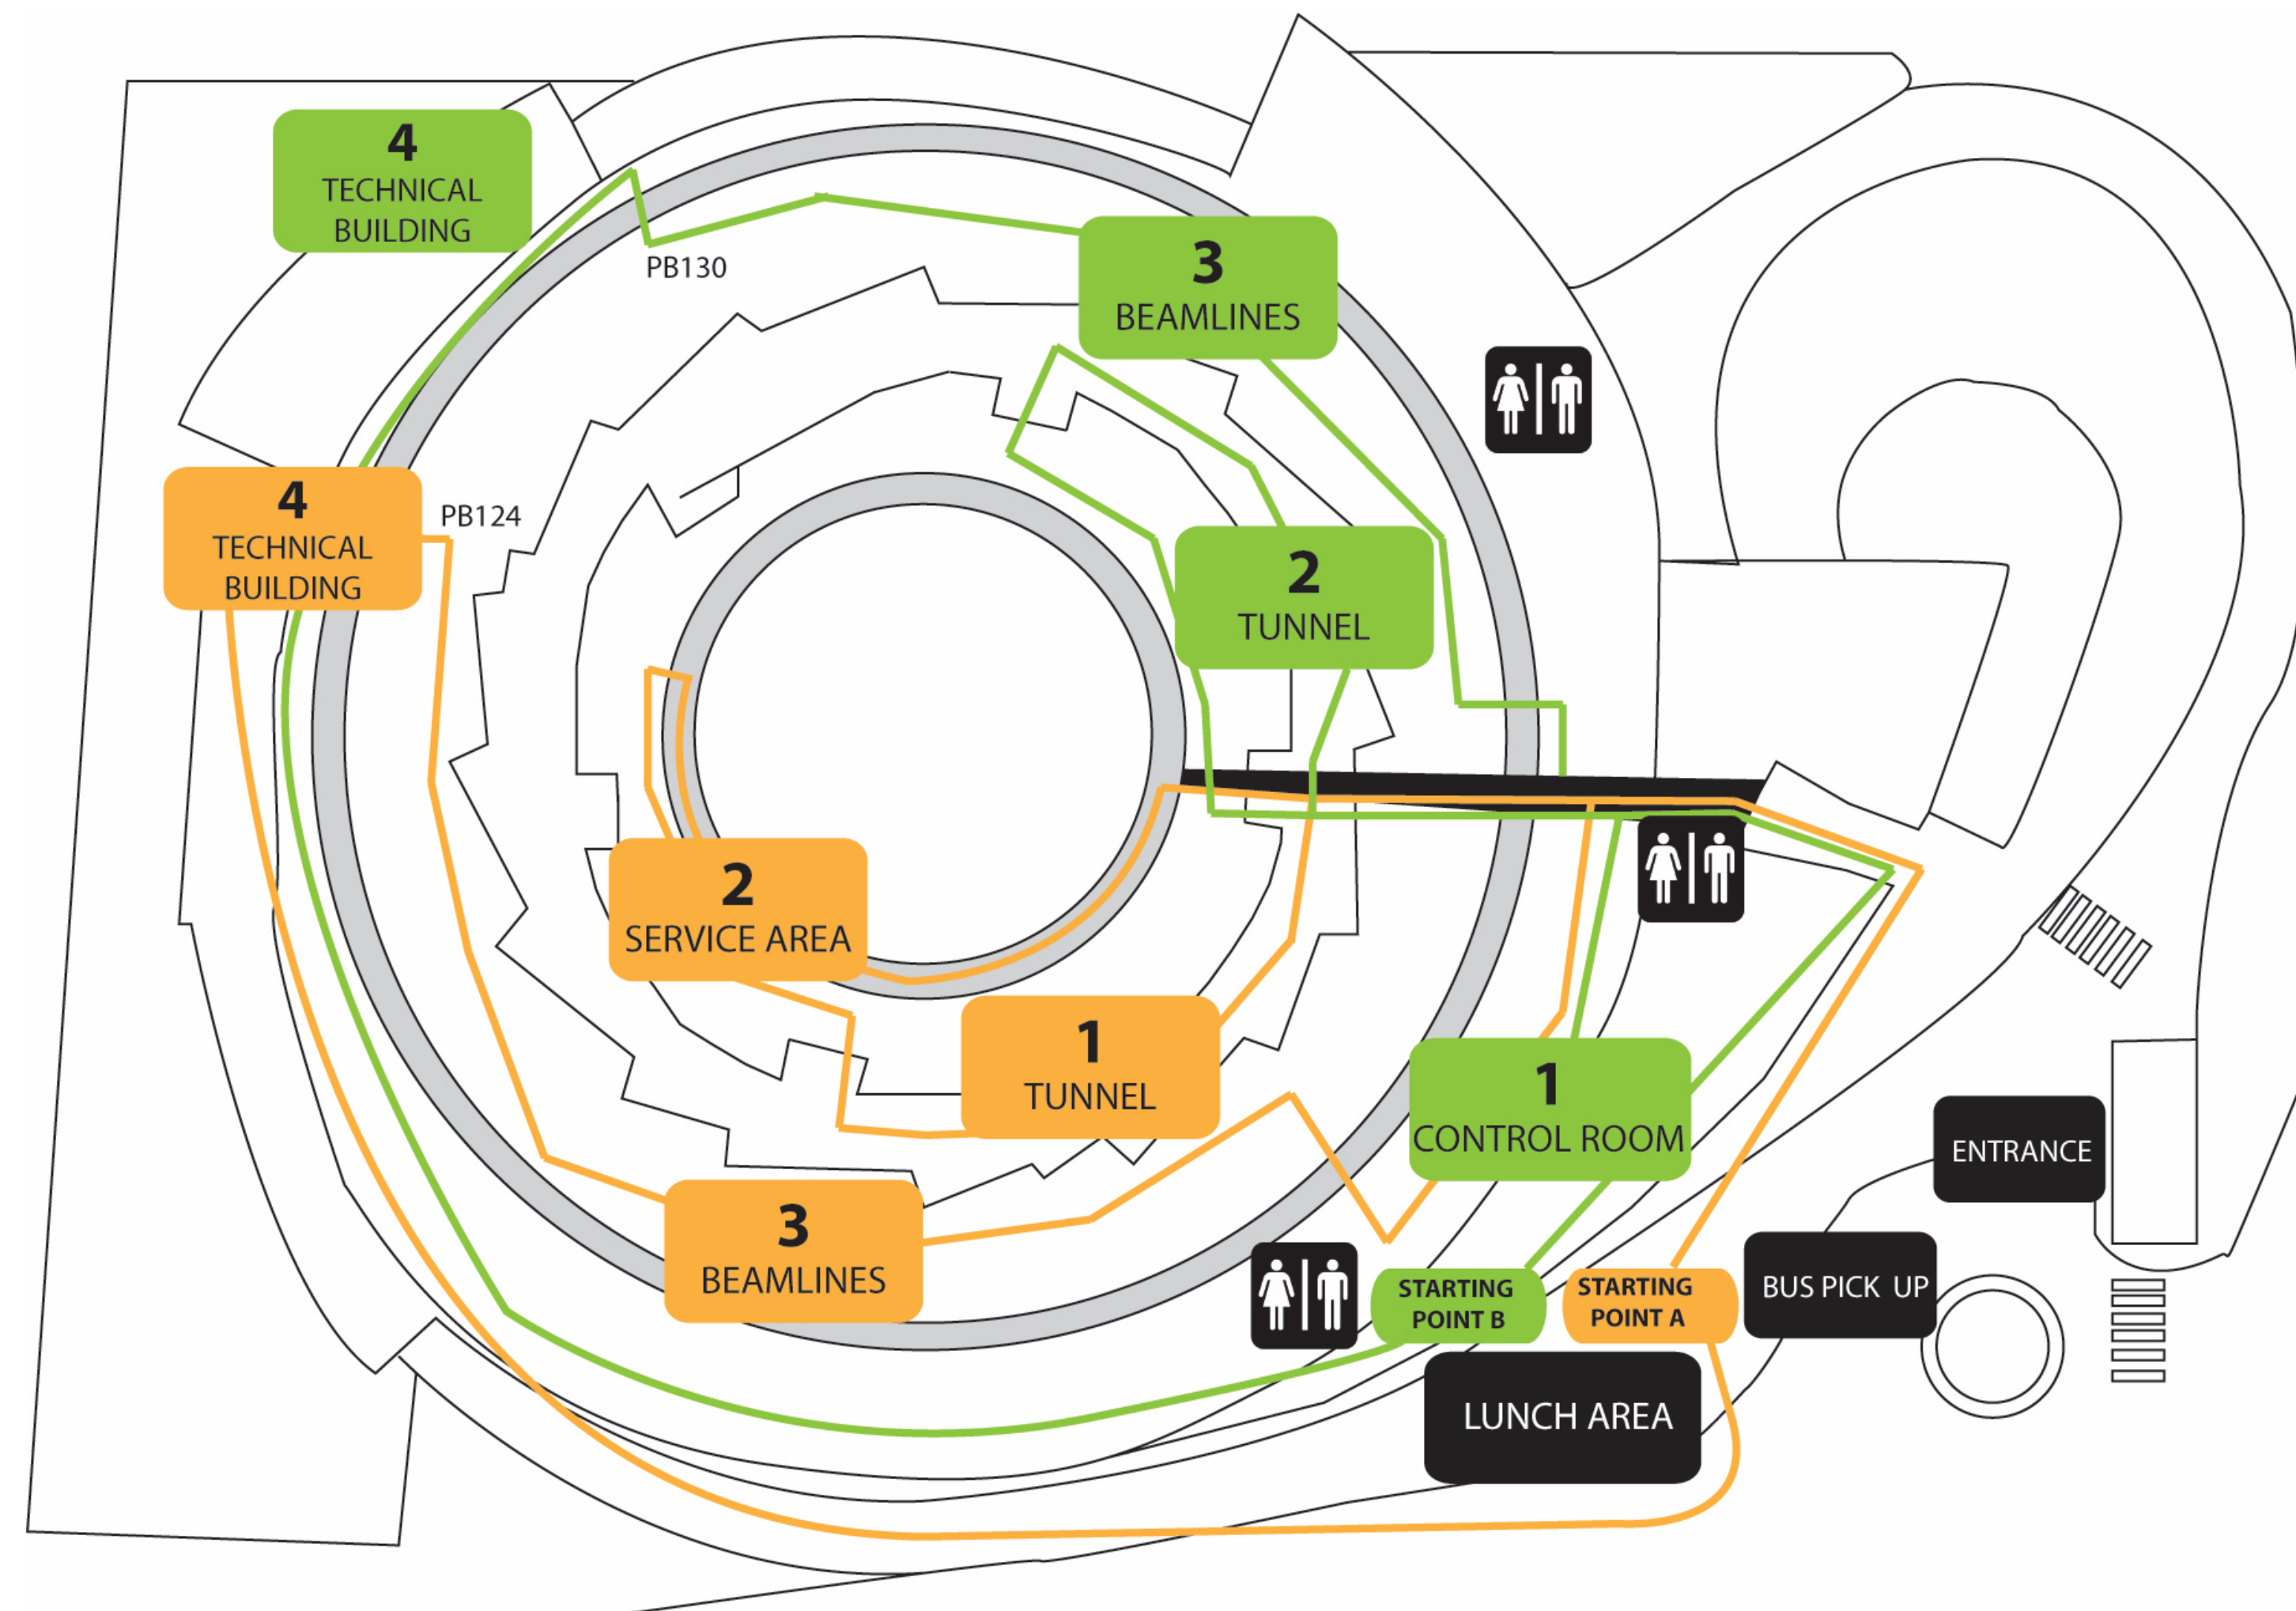

ALBA Visit Program

- **12:30:** Bus pick-up in front of WTC
- **13:00:** Expected Arrival at ALBA – DON'T FORGET YOUR BADGE!
- **13:00 - 15:00:** Lunch
- **14:00 - 16:00:** Guided Tours
- **15:00 - 17:00:** Coffee
- **17:00 h** - End of the visit and bus pick-up

ALBA Visit Program

- Two simultaneous tours covering 4 stops of 10 minutes each:
Tour A and **Tour B**
- At the entrance, you will receive a sticker showing your Group, which will say the route and starting time of the tour
- Tours start and finish at the Lunch Area, and last about 1h.
- Be aware to the starting time of your group!

ALBA Visit Program - FAQ

- Guided tours will be **in groups of 20 people** approx.
- All the tours will have 2 guides: 1 giving explanation and 1 closing the group.
- Additional ALBA staff will give detailed explanations at the stops.
- No differences between the two tours. All of them go inside the tunnel, beamlines, and at the technical building.
- A total of 16 different groups have been foreseen.
- Expected Arrival time at WTC: 17h30

- IBIC 2019: ...Malmoe (Sweden)!

Next IBIC @Europe

International Beam
Instrumentation
Conference **IBIC**
11 - 15 September 2016 Barcelona

IBIC2019 hosted by ESS
co-hosted by Max IV

MALMÖ

- Malmö is the third biggest city in Sweden where international events and conferences are held regularly.
- Almost all the attractions and hotels of the city are within walking distance.
- Is a real multinational city where you can hear more than 150 different languages in the streets!
- International airport with direct connections to/from more than 140 destinations worldwide.
- Malmö is very close to Lund (Lund University, with 40,000 students, MAX IV), and Copenhagen with over 100k students and 16k researchers in 10 universities.

Thank you for coming...
and see you in Michigan!
