

ICALEPCS CONFERENCE 2025 WELCOME TO CHICAGO!

GUOBAO SHEN
Argonne National Laboratory

JOSEPH SULLIVAN
Argonne National Laboratory

Argonne National Laboratory is a
U.S. Department of Energy laboratory
managed by UChicago Argonne, LLC.

WHY CHICAGO?

- Argonne National Laboratory
- Fermilab National Accelerator Laboratory
- Great North American City

IN THE HEART OF NORTH AMERICA

CITY ON THE WATER

A Great Lake and a Thriving River

Lake Michigan attracts tourists and residents alike — *year round.*

Chicago's "new" Riverwalk is another downtown attraction.

CHICAGO – TWO MAJOR AIRPORTS

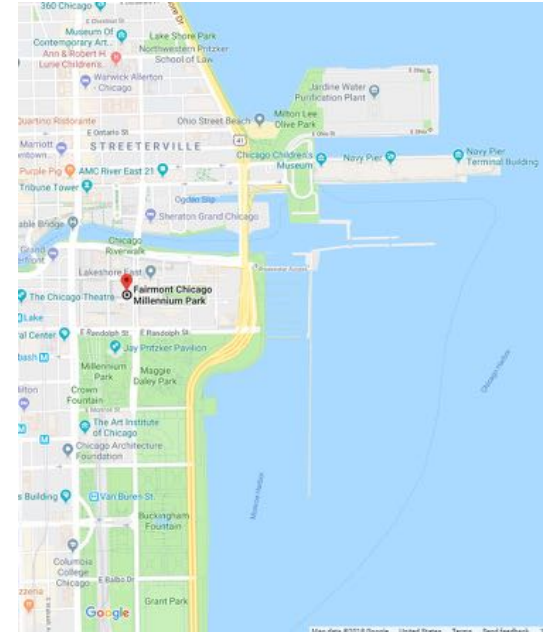

At the Crossroads of North America: >3,000 daily flights/~300 Int'l

DOWNTOWN CHICAGO

Based on Fall 2025, late September/early October

- All within walking distance to all attractions
- Conference space and guest rooms under one roof

WORLD-CLASS MEETING ROOMS

LUXURY HOTEL WITH MANY DINING OPTIONS AND ROOM AMENITIES

Example Hotel

WE LOVE CHICAGO —
and so will you!

**SEE YOU IN
CHICAGO,
ICALEPCS 2025!**
