IPAC'20 – a common commitment of the French Accelerator Laboratories

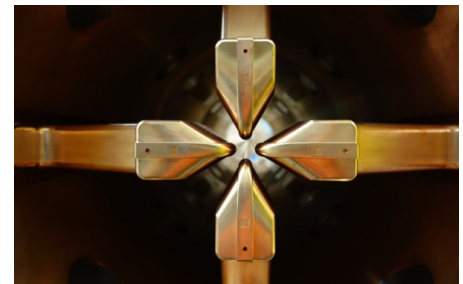

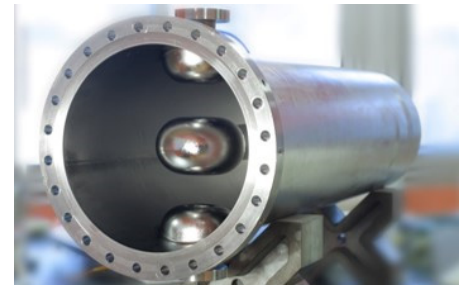

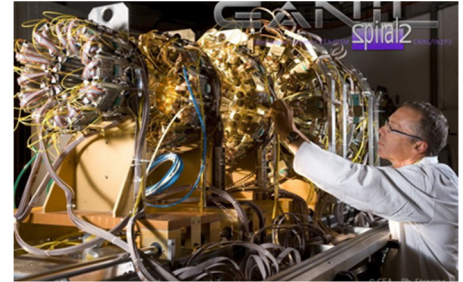

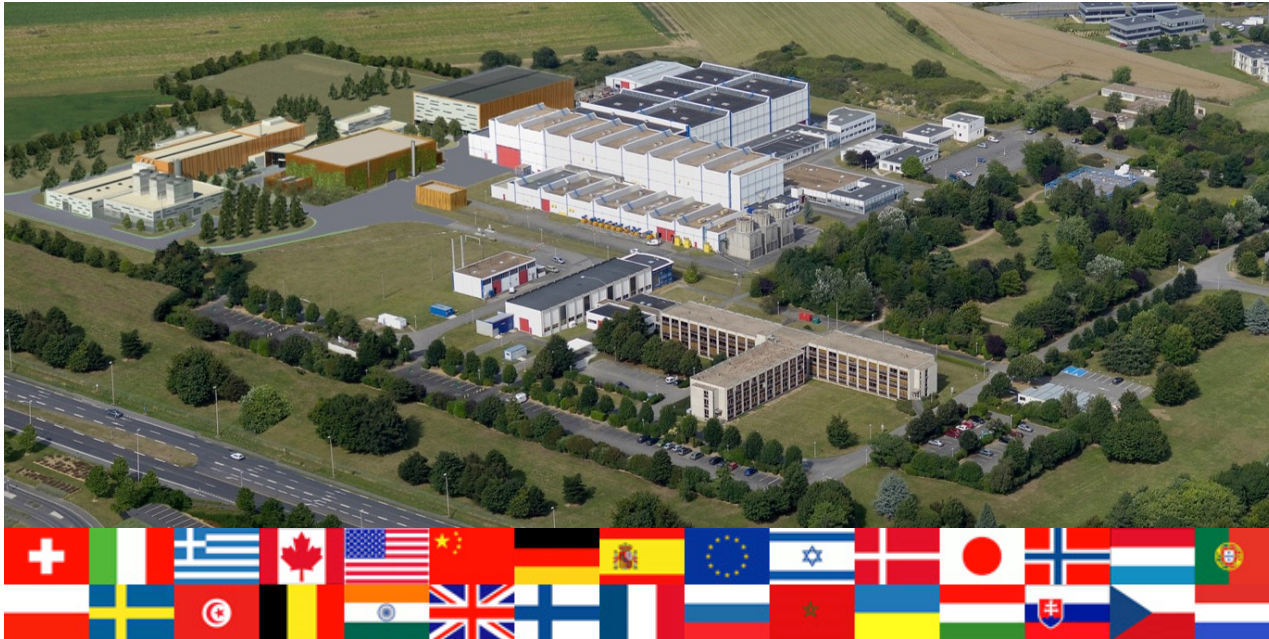

17 partners prepared a common application and commit to support Caen/GANIL and the Local Organizing Committee

GANIL – Hosting Institution

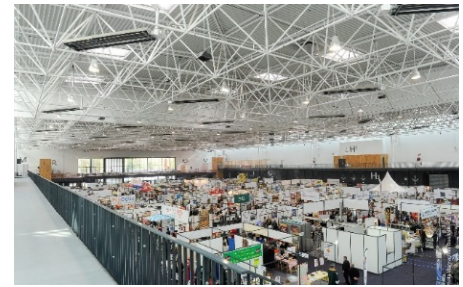

Large National Heavy Ion Accelerator Laboratory

SPIRAL-2, SC. LINAC, cyclotrons, experimental areas

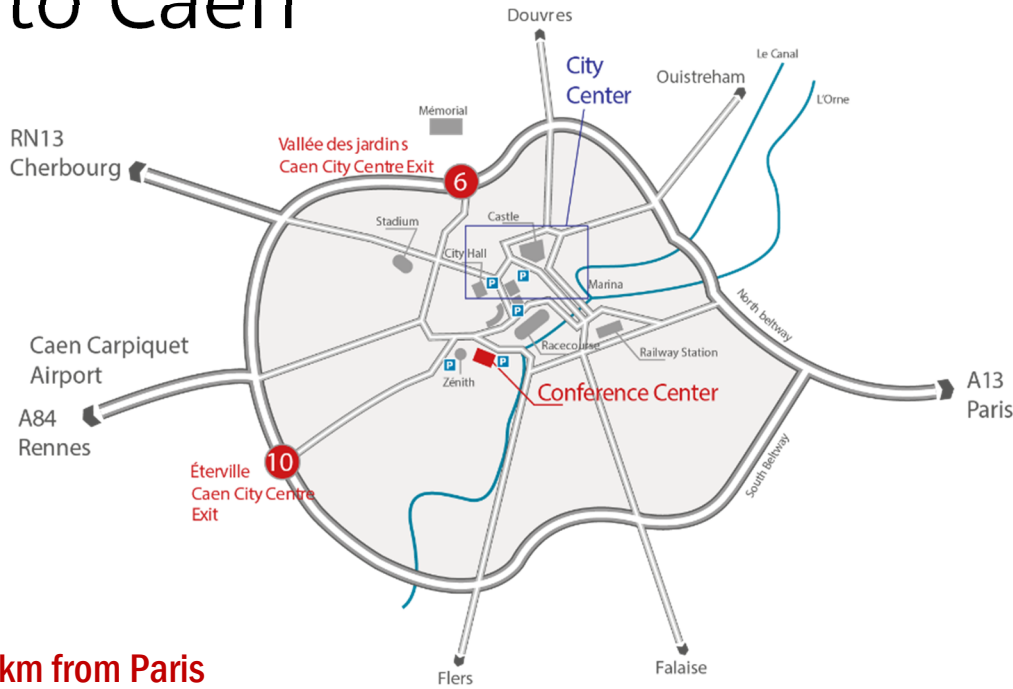

Event Center Caen

Large, multi-purpose centre “Parc des Expositions” with room for presentations, poster sessions, industry exhibition, auxiliary spaces

Access to Caen

Caen is located 250km from Paris

- Shuttle offer : A direct Paris CDG Airport to Caen (<2h), 10th and 15th May only
- Caen Airport : few direct flights, e.g. Lyon, London
- Train : Saint Lazare Station to Caen (1h45), Ferry from UK to Caen Harbor
- Shuttles and pass ticket between conference centre and city centre / Hotel

- Travel : Mont Saint Michel, Bayeux, The Landing Beaches ...
- Tours : SOLEIL Laboratory, ESRF Laboratory
- Accommodation : 950 rooms are already pre-booked for IPAC'20

ONLY AVAILABLE ON OUR WEB SITE

- Registration
- Dates and deadlines
- Satellite meetings
- Accelerator prizes
- ...

A vertical poster for the 11th International Particle Accelerator Conference. The top section features a photograph of Mont Saint-Michel at sunset, with the text "10 > 15 MAY 2020" in the upper left. The main title "11th INTERNATIONAL PARTICLE ACCELERATOR CONFERENCE" is centered in white and orange text. Below the title, it says "REGISTRATION & ABSTRACT SUBMISSION OPENS SEPTEMBER 2019" and "CAEN | FRANCE". The website "www.ipac20.org" is listed. At the bottom, it names the chairs: Organizing Committee Chair Mike SEIDEL, PSI, Switzerland; Scientific Programme Committee Chair Ralph ASSMANN, DESY, Germany; and Local Organizing Committee Chair Frédéric CHAUTARD, GANIL, France. The IPAC20 logo is at the bottom right.
