JACoW

Comparing Acrobat and PitStop Versions 7/9 JACoW Editing Specific Features

Version on Windows XP

Volker RW Schaa GSI, Darmstadt, Germany

Date 101210

	Changes		
Date	Version	Name	Comment
22 October 10	1.0	vrw Schaa	• base version
09 November 10	1.1	vrw Schaa	• updated graphics with AcroPro Distill 9.4.0195
10 December 10	1.2	vrw Schaa	• changed page display of graphics for better readability

Never forget: Input matters!

1 Acrobat Professional Setup

These instructions assume that Acrobat Professional 9 and PitStop 9 have been installed. Most of the default settings are irrelevant for JACoW specific Editing, therefore only a selection of Category Panels are shown.

In this document all figures are placed side-by-side to ease comparison between settings and option in Acrobat Professional version 9 and 7. The pictures on the left (with a slightly more modern look) are Acrobat 9 and the ones on the right (in the standard XP look) are Acrobat 7's.

1.1 Opening the Preferences Setup Window

The preferences setup window can be found via the selection $\mathsf{Edit} \hookrightarrow \mathsf{Preferences} \hookrightarrow \mathsf{General}$ or the key shortcut $\mathsf{CTRL} + \mathsf{K}$.

Figure 1: Opening the Acrobat Professional Preferences Setup window

1.2 Acrobat Pro Preferences General Window

Category	Usage	Acro	Option Text	Category Panel
Miscellaneous	Ø	79	Automatically save document changes	$\begin{array}{rcl} General \hookrightarrow & Miscellaneous \\ Documenting \hookrightarrow & Save Settings \end{array}$
