FEL 2010

- SPMS was used for abstracts, paper processing and slide processing.
- The book of abstracts was produced by Volker.
- Five editors processed papers and one editor processed talks during the conference.
- On the Monday following the conference 75 papers were available in pre-press.
- On the 9th of September 63 talks were published on the conference web site.
- Today 172 papers have passed QA and we have decided to withdraw the only remaining paper.
