

### Power Handling Capability Of Water-Cooled Beam Stops T. Tran-Ngoc

Charles Crist wishes to acknowledge generous funding from Georges Jamieson in "yet another step beyond the bounds of rational thought and logic!"

NORTHERN  
**BUNGEE**  
AT WILDERNESS TOURS

## *This certifies that*

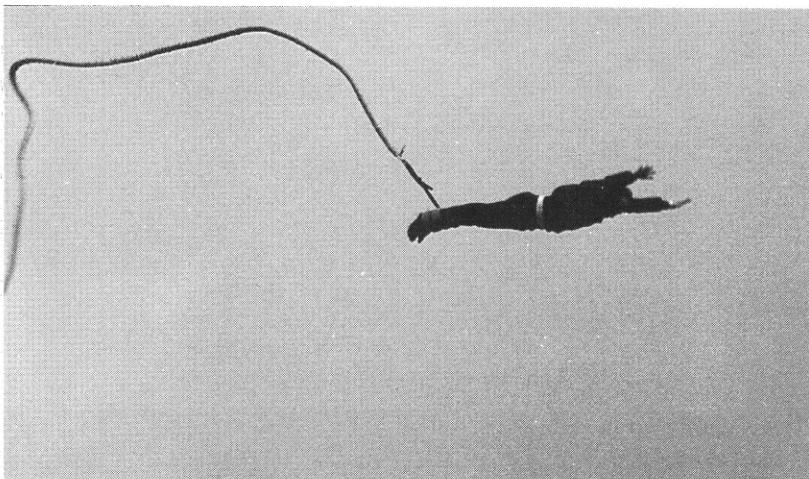

Charles Crist of Waxahachie, TX

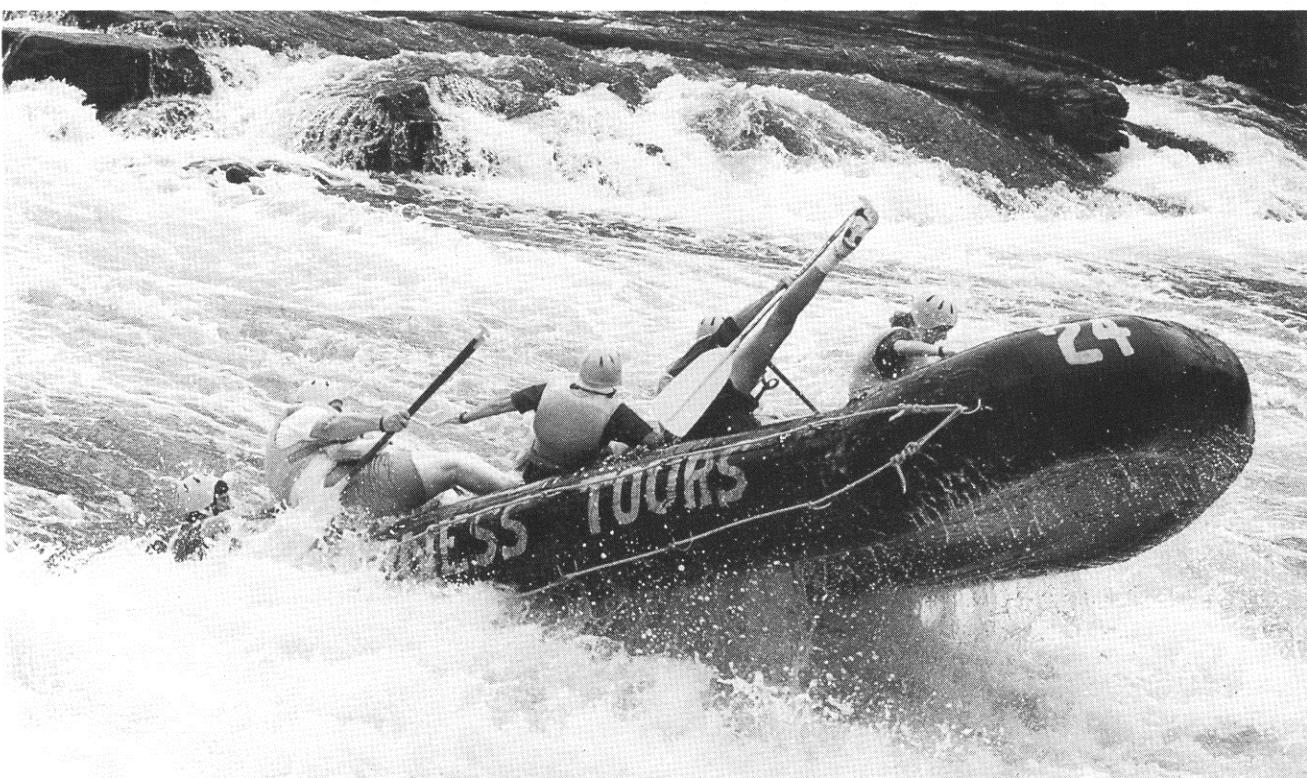

has stepped beyond the bounds of rational thought and logic,  
and jumped from a platform  
150 feet above the Ottawa River  
attached to nothing more than a great big rubber band!

The above bungee jumper acknowledges the utilization  
of gravity to experience one of the  
greatest adrenaline rushes known to humankind.
