

## CONFERENCE COMMITTEES

### Conference Chairman

James E. Leiss, National Bureau of Standards

### Program Committee Chairman

Fred E. Mills, Fermi National Accelerator Laboratory

### Organizing Committee

Mark Q. Barton, Brookhaven National Laboratory  
John P. Blewett, Brookhaven National Laboratory  
Bruce Cork, Lawrence Berkeley Laboratory  
Edward Knapp, Los Alamos Scientific Laboratory  
James E. Leiss, National Bureau of Standards  
Edward J. Lofgren, Lawrence Berkeley Laboratory  
John A. Martin, Oak Ridge National Laboratory  
Ronald L. Martin, Argonne National Laboratory  
Fred E. Mills, Fermi National Accelerator Laboratory  
Richard B. Neal, Stanford Linear Accelerator Center  
George W. Wheeler, Lehman College

### Program Committee

Marcel Bardon, National Science Foundation  
John P. Blewett, Brookhaven National Laboratory  
Lowell Bollinger, Argonne National Laboratory  
Rollon O. Bondelid, Naval Research Laboratory  
Joot J. Burgerjon, Triumph  
Alfred O. Hanson, University of Illinois  
Raymond G. Herb, National Electrostatics Corporation  
Henry C. Hsieh, Brookhaven National Laboratory  
Robert A. Jameson, Los Alamos Scientific Laboratory  
Charles M. Jones, Oak Ridge National Laboratory  
Edward Knapp, Los Alamos Scientific Laboratory  
Alan Kolb, Maxwell Laboratories  
Alan D. Krisch, University of Michigan  
Glen Lambertson, Lawrence Berkeley Laboratory  
James E. Leiss, National Bureau of Standards  
Al Lisin, Stanford Linear Accelerator Center  
John A. Martin, Oak Ridge National Laboratory  
Ronald L. Martin, Argonne National Laboratory  
Philip L. Morton, Stanford Linear Accelerator Center  
Sigmund W. Mosko, Oak Ridge National Laboratory  
Richard B. Neal, Stanford Linear Accelerator Center  
John E. Osher, Lawrence Livermore Laboratory  
Everette F. Parker, Argonne National Laboratory  
Samuel Penner, National Bureau of Standards  
Robert E. Pollock, Indiana University  
Sidney D. Putnam, Physics International  
Martin P. Reiser, University of Maryland  
Ednor Rowe, University of Wisconsin  
Alessandro Ruggiero, Fermi National Accelerator Lab  
William B. Sampson, Brookhaven National Laboratory  
Jacques Shaw, High Voltage Engineering Corporation  
Bruce Strauss, Fermi National Accelerator Laboratory  
John M. Teem, Energy Research and Development Administration  
Lee C. Teng, Fermi National Accelerator Laboratory  
Maury Tigner, Cornell University  
William Turchinets, Massachusetts Institute of Technology  
John P. Turneaure, Stanford University  
Ferd Voelker, Lawrence Berkeley Laboratory

### Arrangements

Elmer H. Eisenhower, National Bureau of Standards

### Proceedings Editor

Robert C. Placious, National Bureau of Standards
